

InLine

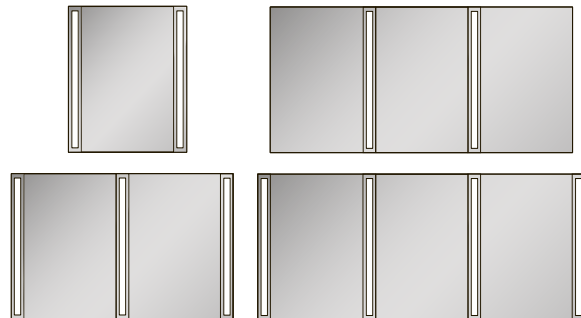

InLine Task Lighting. Every element of your bathroom's design should be both beautiful and functional, adding convenience to your styling suite and elegance to your daily routine. InLine complements M Series mirrored bathroom cabinets with dimmable task lighting and contemporary, modular design. InLine delivers precision lighting to support your exact styling needs.

FEATURES

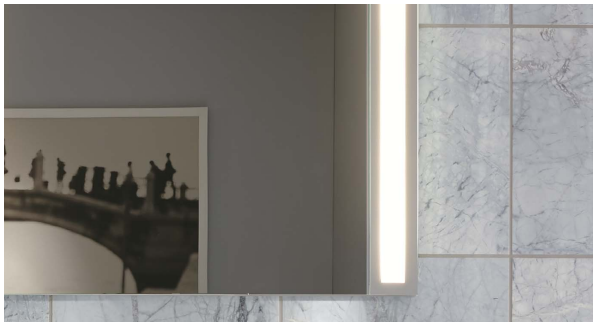

TASK LIGHTING

Integrated task lighting allows for precision grooming. All models are dimmable. Available in Warm White (3000K), Natural White (4000K) and Variable color temperature (adjustable between 3000K and 4000K).

VERSATILE

InLine task lights are designed specifically to pair with M Series cabinets. The light front is flush with M Series doors for a clean look. InLine and M Series cabinets can be configured in multiple ways to best fit your needs. Available in both 30" and 40" heights.

ENERGY-EFFICIENT LEDS

LEDs are energy-efficient, duplicate natural light, and outlast incandescent and fluorescent bulbs. Lights are ETL damp location-listed to UL U.S. and Canadian standards.

MAX 21 W (For single color 3000K or 4000K)
MAX 42 W (For Variable color)

ALUMINUM CONSTRUCTION

Construction resists the intense moisture of the bathroom environment, ensuring long-lasting beauty.

INLINE TASK LIGHT			
	Model #	Overall Dimensions	Rough Opening
Variable	ML3.530ILSFMRDV	3.5"W x 30"H x 4.75"D	This fixture adds 3.5" per light to the overall rough-in width.
	ML3.540ILSFMRDV	3.5"W x 40"H x 4.75"D	
3000K	ML3.530ILSFMRD3	3.5"W x 30"H x 4.75"D	
	ML3.540ILSFMRD3	3.5"W x 40"H x 4.75"D	
4000K	ML3.530ILSFMRD4	3.5"W x 30"H x 4.75"D	
	ML3.540ILSFMRD4	3.5"W x 40"H x 4.75"D
