M Series Cabinet Collection

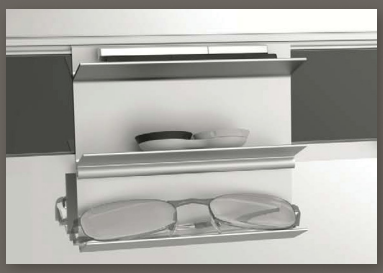
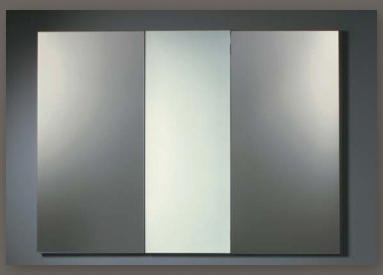
Image shows M Series features and options.

MAGNETIC ORGANIZATION
Keep small metal implements neatly arranged and close at hand on the shelf-mounted magnetic strip. Included with all cabinets, except for 12" wide electric model.



ORGANIZATION SHELVES
A dedicated razor holder and adjustable shelves house small items such as eyeglasses, contact lens cases and cosmetics.



MODULAR CONFIGURATIONS
Create custom sizes and distinctive looks from a wide range of heights, widths and depths. The M Series is designed for modular configuration and is equally eye-catching in stand-alone, stacked or side-by-side arrangements.

MIRRORED OR DECORATIVE GLASS
Mirrored doors in arch or flat-top designs can be plain or beveled at the edge. Decorative colors add a contemporary look.

The M Series is the ultimate in quality custom cabinets, designed and assembled in the USA. Most orders ship in 10 days.

INTERIOR ILLUMINATION

Find the light from within with an interior light that turns on when the door is opened and automatically turns off when closed.

INTEGRATED ELECTRICITY AND USB

Power frequently used items such as electric razors, toothbrushes and hair dryers using one of two outlets mounted inside the cabinet. The USB port charges your mobile electronic devices nearby.

PROGRAMMABLE NIGHT LIGHT

Program the external LED to automatically provide nighttime illumination in 12-hour increments.

ELECTRONIC MIRROR DEFOGGER

Prevent steamy reflections with a timer-enabled electronic defogger. The illuminated, door-mounted on/off switch allows for one-touch control.

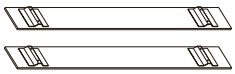
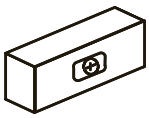
ACCESSORIES AND OPTIONS



Surface-Mount Kits

Achieve a finished look for surface-mount or semi-recessed installations. Designed for use on all cabinets. Kits include mirrored or decorative glass side kits and installation hardware.

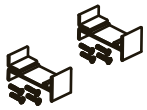


Safety-Lock Box (SLB)

Stow away personal items and valuables in the interior-mounted lock box. Keyed entry keeps prescriptions and medications out of reach of children.

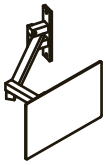
Handle Kits

Add a handle or push-to-open kit to any M Series cabinet.
Handle is required when ganging 70" H cabinets with opposing hinges.



Ganging Kit (MGKIT)

Combine two or more M Series cabinets side by side to create custom configurations. Ganging kit includes required hardware for up to three cabinets.



Pull-Out Magnifying Mirror (POMM)

Achieve detailed grooming tasks with ease. Retractable mirror magnifies at 3x zoom and stows away neatly into the cabinet.

NOTE: Please see Robern Price Book or visit robern.com for the complete offering of complementary M Series lights, mirrors and accessories.
